*** NOTE:** The Library utilizes a regular bi-weekly pay schedule. In most years, this results in 26 pay dates during a calendar year. During 2015, however, there were 27 regular pay dates during the year. This timing issue occurs approximately every 8 to 9 years.

The budgeted increase in 2015 Salaries & Benefits was in anticipation of the 27th regular pay date described above, not staff raises. The remaining amount was due to anticipated increases in insurance premiums.
